The book when published will remain the property of the State and the sale proceeds of copies of the book will be credited to State revenue.

**10. State contribution to His Excellency the Viceroy's All India Enlightening Fund.**—A sum of Rs. 1,000 was sanctioned by the Regency Council as the contribution of the Cooch Behar State to His Excellency

the Viceroy's All India Thanksgiving Fund started in connection with His Majesty the King Emperor's recovery from a serious and protracted illness. The amount was remitted from the Treasury to the Private Secretary to His Excellency on the 17th December, 1929.

11. *Reduction of Third Class fares on the Cooch Behar State Railway.*—The Agent, Eastern Bengal Railway, in his letter No. 1247, dated the 5th April, 1929 informed the Vice-President, Regency Council, that third class fares on the Cooch Behar State Railway would in accordance with Clause 10 of the Agreement for working the Cooch Behar State Railway be reduced from 4 pice to 3½ pice per mile as early as possible to conform to the fares in force on the Eastern Bengal Railway. The fares were accordingly reduced during the year under report. The reduction of fares is estimated to affect earnings by about Rs. 30,000 per annum.

12. *Presents and return presents on the occasion of the wedding of Prince Pratap Singhras Gaikwad of Baroda.*—A deputation consisting of Nawabzada Abdul Karim Khan, Secretary to Your Highness, Mr. P. Roy, an Aide-de-Camp to His Highness the Maharaja Bhup Bahadur, a Chobdar, a Chaprasi and a servant, was sent from Cooch Behar by Your Highness with Poshak to be presented to Prince Pratap Singhras Gaikwad of Baroda on the occasion of his wedding and to Prince Dhairyasirras Gaikwad of Baroda for the family occasion of his children. 14. *Claim of the Cooch Behar State to the village Pathinguri in the district of Sankosh and to the fishery and ferry rights in the Sankosh river.*—From letter No. 13188P., dated the 24th November, 1929 of the Government of Bengal, it appears that the Government of Assam have accepted the proposal of the Regency Council as regards the claim of the Cooch Behar State to village Baniaguri and have directed that the matter be left over till His Highness the Maharaja Bhup Bahadur attains his majority. But with regard to the fishery and ferry rights in the Sankosh river, it has been stated that the Government of Assam are unable to accede to the request of the Regency Council to the effect that they may be retained by the Cooch Behar State in view of its long and uninterrupted possession and of the relatively insignificant value of those rights.

15. *Protection of the Cooch Behar Town and other Mofussil areas north of it from flood in the Torsa river.*—The Regency Council accepted the proposal of the Vice-President, Regency Council, in the General Department, regarding arrangements for surveying the bed of the Torsa river above the Cooch Behar Town to make out a complete map giving accurate levels and other details in connection with the protection of the town and the Mofussil areas above it. The work is now in progress.

16. *Printing of the Settlement Completion Report.*—The final report on the Survey and Settlement operations carried on in the State during the years 1912—1927, was received from the Revenue Officer with his letter No. 1008, dated the 10th July, 1929. The report was submitted to him by Babu Karali Charan Ganguli, B.A., M.C.S., who had been deputed by the Government of Bengal to work as Settlement Officer of the State during the later stages of the operations. A detailed resolution reviewing the operation was recorded by the Regency Council and the report was ordered to be sent to the State Press for being printed.

17. *The Pooneah ceremony for the year 1336 H. S.*—The Pooneah ceremony for the year 1929-30 (1336 B. S.) was performed on the 10th May, 1929 and the two following days. As in the previous year the ceremony was held by Rai Bahadur H. L. Khargir, M.A., Revenue Officer of the State, on the ground floor of the Lashburi Hall where the throne was removed from the Palace for the occasion. As His Highness the Maharaja Bhup Bahadur was away from Cooch Behar for his education in England, there was no Pooneah Durbar held in his absence. The Courts and Offices of the Revenue Department remained closed for 4 days and all other Courts and Offices for 3 days commencing from the 10th of May, 1929.

## II.—Financial.

18. *The actual Revenue and expenditure of the year under report* amounted to Rs. 41,65,937 and Rs. 39,17,412 against Rs. 41,66,130 and Rs. 43,07,326 respectively of the previous year resulting in a surplus of Rs. 1,87,625 in the year under review against a deficit of Rs. 1,41,187 of the previous year. The expenditure of Rs. 39,17,412 mentioned above includes a sum of Rs. 2,00,000 which was set apart for the Reserve Fund. The actual expenditure during the year of report, therefore, amounted to Rs. 37,17,412 excluding the sum of Rs. 2,00,000 which was not really an expenditure but represents the future provision made for His Highness the Maharaja Bhup Bahadur and the family. The transactions during the year of report thus show a surplus of Rs. 3,87,625 instead of Rs. 1,87,625 as mentioned above.

Compared with the revenue of the previous year, the revenue of the year under report shows a decrease of Rs. 21,102 only, which is mainly due to the decreases under the following heads :—

The expenditure of the year under report amounted to Rs. 59,17,412 against Rs. 43,07,326 of the previous year showing a decrease of Rs. 3,89,914 which is accounted for as detailed below :—

	Rs.

III.—STATE CEREMONIAL EXPENDITURE ... ..	19,482
--	--------

VII.—HIS HIGHNESS THE MAHARAJA'S ESTATES ;—

(c) Durgajing Estate ... ..	24,971

No. 1525.

FROM

LT.-COLONEL W. G. HUTCHINSON, I.A., O.B.E.,

VICE-PRESIDENT, REGENCY COUNCIL,

GENERAL DEPARTMENT,

COOCH BEHAR.

To

HER HIGHNESS THE PRESIDENT, REGENCY COUNCIL,

COOCH BEHAR.

*Dated, Cooch Behar, the 5th August 1930.*

YOUR HIGHNESS,

I HAVE the honour to submit the Annual Report for 1929-30 of the Departments under my charge.

I am glad to be able to report normal progress during the year in all Departments. The Police Department under Mr. D. F. Lesslie has been undergoing a steady overhauling with satisfactory results.

In the Public Works Department we have reached the completion of the stage which may be considered as the first step in the programme necessary to bring State Institutions up-to-date. All three barracks for the Military, the Police and the Gaoi have been completed and, but for the misfortune of the earthquake on the 3rd July, which occurred after the period to which this report refers, but before the completion of this report, we should, within a few months, have seen the Military installed in their new lines.

As it is the new barracks have had to be transformed for the present into offices, as all the old office buildings have suffered so much as to render them unsafe until the State is able to carry out considerable repairs.

Our Public Works programme up-to-date has at least put us into the position of meeting our present difficulties and delaying our future programme without any undue inconvenience.

The Town is now equipped with all the ordinary amenities of modern life such as good drainage, water supply, electric power, and its own supply of ice. This latter has, I understand on several occasions already, been of much medical value in cases of high fevers.

The necessary buildings in Dinkata are all approaching completion. I have delayed, beyond what has been absolutely necessary, similar buildings at Mathabhanga and other Sub-Division Head-quarters as the question of reducing the number of Sub-Divisions is now under consideration, and in the case of Mathabhanga it is necessary to consider seriously the question of the change of site of the Head-quarters of that Sub-Division; as not only is the present site very seriously threatened by the incursions of the two rivers between which Mathabhanga is at present situated—but frequently during the monsoon Mathabhanga is completely cut off from outside communications.

I am glad to be able to report that throughout the year the State has escaped the havoc of epidemics. Cholera and Small-pox have only appeared in spasmodic form and where cases have been reported the medical authorities have given immediate and proper attention.

An aggregate number of 4777 convicts were supplied in the Mill on week days including convict overseers and 804 on Sundays. The wages of these 5381 convicts at annas 0-6-0 per head amounting to Rs. 2,017-14-0 was paid by the Rice-Mill during the year.

The value of articles supplied to the Palace and Jail including wages of convicts supplied to the State Rice-Mill in March 1930 was Rs. 833 which was not realized during the month and hence the increase in the outstanding bills.

82. *Jail Industries.*—The result of principal industries carried on in the Jail during the year is shewn below:—

*Crushed Food.*—The total sale of crushed food was Rs. 1,729-11-0 against Rs. 3,076-14-0 in the previous year. The profit under this industry was Rs. 151-14-9 during the year against Rs. 305-15-0 in previous year. Owing to the gradual decrease in the sale of crushed food which was due to less demand by the public, the industry practically ceased.

*Oil Pressing.*—448 maunds 9½ seers of mustard seeds and 11 maunds 38½ seers of Til seeds were pressed in the mills of the Jail during the year yielding 136 maunds 37 seers 9 chattaks of oil and 298 maunds 1 seer 12 chattaks of oilcake as compared with 356 maunds 6 seers of mustard seeds and 10 maunds 27 seers 6 chattaks of Til seed yielding an outturn of 110 maunds 23 seers 13 chattaks of oil and 240 maunds 22 seers 12 chattaks of oilcake in the previous year. The profit from this industry was Rs. 1,067-8-0 against Rs. 936-10-6 in the previous year.

*Aerated Waters.*—9052 bottles of Soda water and 5405 bottles of Lemonade were manufactured and sold during the year for Rs. 714-3-6 against Rs. 505 in the previous year. The profit from this industry was Rs. 316-13-0 against a loss of Rs. 162-9-3 in the previous year.

*Wheat grinding.*—Owing to the small number of convicts available to be employed for wheat grinding, this industry could not be carried on a suitable scale. Only 8 maunds 20½ seers of wheat were ground during the year giving a profit of Rs. 18-7-3 against Rs. 146-9-6 in the previous year.

*Weaving and Tailoring.*—This industry is maintained for preparing Durree, Ashon and Bed sheets &c., for sale and Dosuty cloth for making prisoners' clothing. The profit in this industry was Rs. 459-7-3 against Rs. 437-1-3 in the previous year.

*Jute works.*—This industry is maintained for twisting jute string and weaving Gunny cloth for sale. The profit derived from this industry was Rs. 256-10-0 against Rs. 192-11-3 in the previous year.

*Gardening.*—The profit under this head was Rs. 402-9-3 against Rs. 586-2-0 in the previous year showing a decrease of Rs. 183-8-9 which was due to curtailment of work on account of smaller number of convicts available for the garden.

The above figures include Rs. 153-4-0 and Rs. 230-3-6 respectively, as the sale proceeds of date juice.

The following table shows the number of convicts employed in different industries as compared with those in the previous year :—

Industry	Years	
	1928-29.	1929-30.
Oil pressing	2105	2453
Crushed food	310	248

Hire of convicts (Rice-Mill)	.....	5381

Total	7899	12499

The number of convicts supplied to the Rice-Mill was not included in the table in the previous year as they were supplied free of cost. Thus the total of convicts employed in 1929-30 is so much greater than that of the previous year.

It will appear from the foregoing table that the total number of Middle English Schools during the year under report was 23 against 24 of the year preceding. Of these 20 were aided and 3 unaided against 18 aided and 6 unaided in the preceding year. The Shahibgunj and the Kamat Changrabandha Middle Vernacular Schools, with their unaided English classes, were raised to the Middle English status for satisfactory work during the year. This accounts for the increase of 2 in the number of aided institutions of this class. Of the unaided institutions 2 as referred to above *viz.*, the Kamat Changrabandha and the Shahibgunj Middle English Schools were given Middle English grant and one Changrabandha ceased to exist for want of local support. This accounts for the decrease of 3 in the number of the unaided institutions of this class.

On the 31st March last, there were 1,211 pupils on the rolls of the 20 regular Middle English Schools against 1,108 pupils from 18 schools of the year previous. The average daily attendance of pupils was 866 against 796 of the preceding year. The number of pupils increased by 103 and daily attendance by 70. The increase in the number of aided institutions by 2 brought about corresponding increase in the number of pupils and in their average daily attendance.

Of the total number of boys attending this class of schools 704 were Hindus and 507 Mohamdans against 672 Hindus and 436 Mohamadans in the preceding year.

The number of pupils reading English in this class of schools was 885 against 912 showing a decrease of 27 only.

The expenditure on these schools amounted during the year to Rs. 14,350 of which Rs. 5,345 was paid by the State and Rs. 9,005 by the people. The corresponding figures for the preceding year were Rs. 13,675, Rs. 5,124 and Rs. 8,551. The total expenditure thus increased by Rs. 675, the State's share in the increase being Rs. 221 and that of the people Rs. 454. The increase in the number of aided institutions, by 2 brought about corresponding increase in the State's share of the contribution by Rs. 221.

The following table compares the results of the Middle English Schools in the Middle and the Primary Examinations during the last two years:—

222. *Charge*.—Srijut Dineshananda Chakravarti, L.M.S., Civil Surgeon, was incharge of the Medical Department for about nine months and during the remaining period of his absence on privilege leave the charge was with the Senior Assistant Surgeon Srijut Jaladhar Mitra, L.M.S.

Srijut Tarani Mohan Ghose, B.Sc., M.B.; Sanitary Officer, held the direct charge of the Public Health Department under the control of the Civil Surgeon.

223. *General Health*.—The general health of the State during the year under report was on the whole good, though the number of Malaria cases was the highest in comparison with those of the last two years.

The following statement shows the number of cases of Cholera, Small-pox and Malarial fever during the last three years:—

			1927-28.	1928-29.	1929-30.
Cholera	...	...	511	4,529	592
Small-pox	...	...	1,848	1,562	289
Malarial fever	...	...	19,765	18,219	23,414

224. *Cholera*.—During the year under report sporadic cases of cholera occurred almost all over the State. There were altogether 592 attacks with 452 deaths. The percentage of death from Cholera was 76·35 against 81·36 in the previous year. The high percentage of death was mainly due to illiteracy of the people and late information of out-breaks received from affected villages.

Temporary arrangement was made for water supply at all Melas. Prompt sanitary measures were taken to check the spread of the disease.

225. *Small-pox*.—There were Small-pox cases in sporadic form in all the Sub-divisions. The total number of attacks was 289 with 47 deaths, the percentage of death was only 16·26 against the same figure of the previous year. The disease could not take an epidemic form due to thorough vaccination and re-vaccination.

226. *Vaccination*.—The annexed Table "S" shows the number of vaccination operation with the result. The total number of persons vaccinated was 28,537 against 47,777 in the previous year. The percentage of successful cases was 84·59 against 90·02 in the previous year. The decrease in number was due to the fact that only primary vaccination was done during the latter part of the season.

227. *Malaria*.—The attendance of patients in the Hospitals and Dispensaries of the State shows the number of malaria cases was greater than that of the previous years.

5,467 quinine tabloids were distributed during the year under report against 6,000 in the previous year as preventive measure against malaria. Due to the frequent out-break of Cholera and Small-pox in the State more attention had to be given for prevention of those diseases than malaria.

228. *Hospitals and Dispensaries*.—There was no other change in the Hospitals and Dispensaries of the State during the year under report except that an out-door dispensary was opened at Bamanhat with effect from the 1st April 1929. It is gratifying to note that within this short period the benefit of the dispensary has been appreciated by the people and the number of attendance of patients rose, during the year, to a figure next to that of Dinhata and the Haldibari Dispensaries.

229. *Attendance of Patients*.—Table "O" shows the attendance of patients at each of the Hospitals and Dispensaries of the State during the year under report. The total number of Out-patients treated was 64,520 against 54,381 in the previous year.

The Spleen Index Register kept in the Sudder Hospital showed that out of 2,335 children examined 778 had enlarged Spleen. The percentage of spleen cases was thus 33·31 against 28·77 in the previous year. The Spleen Index Register kept in other Hospitals and Dispensaries showed that out of 8,573 children examined 1,796 had enlarged spleen. The percentage of spleen cases was thus 20·94 against 37·41 in the previous year.

The total number of In-patients treated in the Hospitals of the State, during the year under report was 1,377 against 1,511 in the previous year. The percentage of the deaths of In-patients was 6·93 against 8·21 in the preceding year.

FROM

H. L. KHASTGIR, Esq., M.A., RAI BAHADUR,  
Revenue Officer, Cooch Behar State.

TO

HER HIGHNESS THE PRESIDENT, REGENCY COUNCIL,  
COOCH BEHAR.

*Dated, Cooch Behar, the 11th July, 1930.*

YOUR HIGHNESS,

I HAVE the honour to submit the Annual Report on the Administration of the Revenue Department of the State for the year 1929-30.

2 The Department was under my control throughout the year.

## SECTION I—LAND REVENUE.

3. The current demand of Land Revenue for the year under report was Rs. 20,23,685 and the arrear demand including Rs. 3,882 due to settlements concluded in the year under report with retrospective effect was Rs. 2,56,142. The total demand thus amounted to Rs. 22,79,827. The total collection was Rs. 20,43,400 but as this amount includes excess payments amounting to Rs. 8,151 on account of future liabilities for Land Revenue the net collection for the year was Rs. 20,35,249. Remissions were granted for Rs. 32,310. The net amount credited against the total demand of Rs. 22,79,827 was thus Rs. 20,67,559 (Rs. 20,35,249 plus Rs. 32,310) leaving a balance of Rs. 2,12,268 for recovery. The following table compares the figures for the last eight years:—

4. From the details in statements I and II appended to the report which refer to Mâl and Debutter Land Revenue, it will be seen that as compared with 1928-29 there was a gross increase of Rs. 20,650 and a gross decrease of Rs. 10,051 in the current demand or a resultant net increase of Rs. 10,599. For facility of reference the different items of increase and decrease are shown in the following table :—

Particulars.	Increase.	Particulars.	Decrease.	REMARKS.
	Rs.		Rs.	
Increase due to Settlement of Khas Jotes.	259	Decrease due to relinquished jotes.	139	
Increase obtained by Settlement of relinquished Jotes.	100	Decrease due to Jotes being made Khas under section 19 of the Revenue Sale Act.	152	
Increase due to settlement of Khas Lands.	1,488	Decrease due to diluvion	264	
Increase due to Settlement of Payasti lands.	461		555	
	2,308	Decrease due to rectification of mistakes.	450

Increase due to entry in the Jama kept in abeyance.	10	Decrease due to transfer to the Excise Department of the State.	2	
Increase obtained by the settlement of Syrat Mehals.	15,924	Decrease due to falling off of Syrat Mehals.	8,489	
Grand total ...	20,650	Grand total ...	10,051	

5. The net increase of Rs. 10,599 in the current demand of Revenue in the year under report was chiefly due to the settlement of Syrat Mehals and the progressive enhancement of Revenue.

6. The increase obtained by the resettlement of khas and relinquished jotes as also of khas and Payasti lands amounted to Rs. 2,308 against Rs. 1,580 of the previous year. The decrease amounting to Rs. 555 due to relinquishment of jotes, to jotes being made khas and to diluvion was more than counterbalanced by an increase of Rs. 2,308 as shown above.

7. The collection for the year under report (Rs. 20,43,400) exceeded the current demand by Rs. 19,715 but fell short of average collections for the preceding 5 years by Rs. 5,368 and of the collection for the previous year by Rs. 26,548. Of the unrecovered balance of Rs. 2,12,268 shown in the table in paragraph 3 above Rs. 92,549 was due at the close of the year from the estates under the management of the Court of Wards.

The following table compares the collections in each sub-divisional office during the last 2 years :—

To

HER HIGHNESS THE PRESIDENT,  
*Regency Council, Cooch Behar.*

*Dated, Cooch Behar, the 11th June, 1930.*

YOUR HIGHNESS,

I HAVE the honour to submit the Annual Report on the working of the Cooch Behar Treasury during 1929-30.

2. The Department was under my control throughout the year but the immediate charge of the Treasury remained with Srijut Siddheswar Banerjee, M. A., B. L., from the 1st April till the 13th March and with Srijut Niranjan Sen Gupta, M. A., B. L., from the 14th March, 1930 till the end of the year.

3. The year opened with a Cash balance of Rs. 15,05,699 and closed with a balance of Rs. 13,76,420 as detailed below:—

		Opening balance. Rs.	Closing balance. Rs.
Cooch Behar State	...	6,12,719	8,12,999
Funds and Deposits	...	1,80,999	91,919
Government	...	7,11,981	4,71,502
Total	...	15,05,699	13,76,420

4. The total receipts and disbursements of the year amounted to Rs. 66,63,625 and Rs. 67,92,905 respectively against Rs. 70,83,901 and Rs. 70,60,762 of the previous year.

5. The total Stamp revenue of the year under report amounted to Rs. 3,89,624 against Rs. 3,71,793 showing an increase of Rs. 17,831 as shewn in the following table:—

6. Statements A and B annexed hereto show the Stamp revenue received from the different Sub-divisions.

7. The total value of Currency Notes received in the Treasury was Rs. 1,24,40,600 and that of Currency Notes issued was Rs. 1,22,50,000 against Rs. 1,22,25,500 and Rs. 1,20,70,700 respectively of the previous year showing an increase of Rs. 2,15,100 in receipts and decrease of Rs. 2,09,600 in issues.

8. During the year under report the two posts of Treasurer and Accountant having fallen vacant due to the dismissal of the former and the retirement of the latter Srijut Shoilesh Chandra Mustafi and Srijut Adhar Gopal Chatterjee were appointed Treasurer and Accountant respectively in January, 1930.

9. *Character of officer and ministerial staff.*—The services of the late Treasurer Srijut Syamacharan Talukdar had to be dispensed with for not refunding into Treasury money drawn twice over by mistake, in circumstances raising strong suspicion of dishonesty. I had occasion to find fault with the late Treasury Officer Srijut Siddheswar Banerjee in this connection for his carelessness in issuing two payment orders on the same account, his failure to detect the irregularity promptly and his disregard of the rule regarding the daily verification of the Cash in the Treasurer's hands.

I have the honour to be

YOUR HIGHNESS'

Most obedient humble servant,

H. L. KHASTGIR,

Revenue Officer of the State,

In the Treasury Department, Cooch Behar.

FROM

3. *Changes among the Sub-Registrars*.—The following table shews the personnel of the Department in the State:—

Sub-divisions.	Names of officers.	Terms of employments.
Sudder	Srijut Dakshina Ranjan Dhar, B.L., Sub-Registrar.	From the 1st of April, 1929 to the 31st of March 1930.
Dinhata	" Nagendra Nath Roy, B.L., Sub-Registrar.	From the 1st of April 1929 to the 22nd of October 1929 and from the 1st of December 1929 to the 31st of March 1930.

Mathabhanga	" Sarat Chandra Ghoshal, M.A., B.L., Sub-Registrar.	From the 1st of April to the 1st of July 1929 and from the 14th of July 1929 to the 29th of March 1930.
Ditto	Moulavi Ahmed Hosain Pradhan, B.L., Sub-Registrar.	From the 2nd to the 13th of July 1929 and the 30th and 31st of March 1930.
Mekligunj	Srijut Manabendra Nath Bhattacharjee, B.L., Sub-Registrar.	From the 1st of April 1929 to the 31st of March 1930.
Tufanganj	" Nirmal Chandra Mustafi, B.L., Sub-Registrar.	From the 1st of April to the 3rd of May and the 14th of May 1929 and from the 13th of July 1929 to the 3rd of February 1930 and from the 17th to the 31st of March 1930.
Ditto	Moulavi Ahmed Hosain Pradhan, B.L., Sub-Registrar.	From the 4th to the 13th of May 1929.
Ditto	Srijut Himadribullabha Biswas, M.A., B.L., Sub-Registrar.	From the 15th of May to the 12th of July 1929 and from 4th of February to the 16th of March 1930.

4. *Variations as regards documents, compulsory and optional*.—Table No. I compares the numbers of documents, compulsory and optional, presented for registration during the year under report with those of the year previous. The number of deeds, the registration of which is compulsory, was 15,252 against 15,781 of the previous year, shewing a decrease of 529 deeds. The number of deeds of which registration is optional, was 8,247 against 8,705 of the year previous, shewing a decrease of 458 deeds.

5. *Variations as regards the different kinds of documents presented for registration.*—Table No. II compares the numbers of documents of different kinds presented for registration during the year under report with those of the year previous. The total number of documents of all classes presented for registration during the year under report was 23,499 against 24,486 of the previous year, shewing a decrease of 987 deeds.

6. The increases and decreases under the different classes of documents are shewn below :—

INCREASES.—

Gifts	...	...	...	...	...	29
Simple	...	...	...	...	...	136

DECREASES.—

Sales	...	...	...	...	...	734
Usufructuary	...	...	...	...	...	46
Leases	...	...	...	...	...	343
Obligations for payment of money	...	...	...	...	...	9
Wills	...	...	...	...	...	7
Miscellaneous	...	...	...	...	...	6

The small increase under head “Simple mortgages” is due to the fact that the price of jute and tobacco, by the sale proceeds of which the cultivating rayots pay the rents of their land and meet other liabilities, was very low during the year under report and they were in consequence compelled to borrow money by executing mortgage bonds in a larger number of cases than in the previous year.

The decrease under head “Sales” is also due to the economic condition of the people who could not find the money to purchase lands owing to the low price of jute and tobacco which prevailed during the year under report and is still continuing.

The decrease under head “Leases” is due to the fact that a large number of settlements of khush lands having been made after the distribution of the new settlement Terijes in 1927-28, there were fewer available lands for settlement in the khush possession of the Jotedars and the under-tenants.

The increase and decreases under the other heads are small and call for no explanation.

7. *Variations as regards the number of documents presented for registration in the different offices.*—The following table compares the numbers of documents presented for registration in the different offices during the year under report with those of the previous year :—

Names of Offices.	No. of deeds presented for registration.		Increase.	Decrease.
	1928-29.	1929-30.		
Registrar's and Sudder Sub-Registrar's offices.	6,229	5,873	.....	356
Dinhata office	5,947	5,918	.....	29
Mathabhanga do.	4,883	4,887	4	.....
Mekligunj do.	2,623	2,799	176	.....
Tufangunj do.	4,804	4,022	.....	782
Total	24,486	23,499	.....	987

8. *Number of deeds actually registered.*—Of the 23,499 deeds presented for registration 63 were refused registration and 20 were pending at the close of the year and the remaining 23,416 deeds were actually registered. Besides these, 35 documents were admitted to registration during the year under report out of those which were pending registration from the previous year. Thus the total number of deeds actually registered during the year was 23,451.

9. *Progress in the work of copying.*—Of the 23,451 deeds admitted to registration none remained uncopied at the end of the year.

10. *Registration by the Registrar of Deeds.*—The Registrar of Deeds registered 36 deeds in the year under report against 28 of the previous year, yielding fees amounting to Rs. 673 against Rs. 328-8-0 of the year previous.

11. *Registration under the Companies Act.*—Four Joint Stock Companies under the names and designations of the "Cooch Behar Transport Co. Ltd.," "Kamala Bank Ltd.," "Dinhata Bank Ltd." and "Dinhata Loan Office Ltd." were registered under the Companies Act during the year under report. The amount of fees realised under the above Act during the year amounted to Rs. 305 which was duly credited into the Treasury.

12. *Appeals and petitions.*—Including the one application which remained pending at the end of the previous year there were altogether 6 applications under section 73 of the Registration Act before the Registrar of Deeds for disposal during the year under review. Of these 5 were disposed of and 1 remained pending at the close of the year.

13. *Receipts.*—The total receipts under all heads during the year amounted to Rs. 26,566-9-0 against Rs. 27,197-15-0 of the previous year, shewing a decrease of Rs. 631-6-0. The decrease is due to the decrease in the number of deeds presented for registration.

14. *Disbursements.*—The total disbursements of the Department during the year amounted to Rs. 13,416-5-4 against Rs. 13,030-7-8 of the year previous, shewing an increase of Rs. 385-13-8. The increase is chiefly under establishment.

15. *Net gain to the State.*—The net balance received by the State during the year was Rs. 13,150-3-8 against Rs. 14,167-7-4 of the previous year, shewing a decrease of Rs. 1,017-7-8.

16. *Remuneration of Sub-Registrars.*—The Sub-Registrars, who are all *ex-officio* officers, received, as in the previous year, a fixed uniform registration allowance of Rs. 50 per mensem.

17. *Conduct of officers.*—All the Sub-Registrars and the ministerial staff generally worked satisfactorily.

I have the honour to be

YOUR HIGHNESS'

Most obedient servant,

H. L. KHASTGIR,

Judicial Member, Regency Council,  
Registration Department, Cooch Behar.

- (3) Ledger Balance of the accounts with the Cooch Behar State as they stood on the 31st March, 1930.

2. The original Budget Estimate for the year 1929-30 was framed with a Revenue of Rs. 41,99,392 and an Expenditure of Rs. 39,30,078 excluding the amount of Rs. 2,00,000 set apart for the Reserve Fund, the result showing a surplus of Rs. 2,69,314 on the Revenue. Subsequently when the Revised estimate was prepared with a Revenue of Rs. 41,51,036 and an Expenditure of Rs. 39,01,212 excluding the amount of Rs. 2,00,000 set apart for the Reserve Fund, the estimated surplus was reduced to Rs. 2,50,424 the decrease from the original surplus being mainly due to heavy fall in the receipts during the year under the heads "Cooch Behar State Railway" and the "State Rice Mill". The actual Revenue and Expenditure for the year 1929-30 are however, Rs. 41,63,037 and Rs. 39,17,412 respectively including the reserve of Rs. 2,00,000 noted above.
